Yes, I was a rink rat. I played softball, volleyball, track and cross country in school and after.

How did you choose your Derby name?

Lol! My name was already chosen for me in high school...some girls thought I was flirting with their guys and they spray painted "jump on jenny" on my locker. I also got the guys:).

A leader a seasoned skater...jammer and jammer helper.

Do you have any pre-game rituals?

Yes! Ask the goddess to keep me safe and play smart. Then subway.

What was your greatest Derby experience?

I would say that having an unbelievable last-minute win thanks to my jamming was a great one. I also would say being able to do a national prilosec commercial was an amazing experience.

What is your favorite non-derby thing to do in life?

I love to cook! I am the proud owner of a food cart that I get to chose how to operate it.
